CORINNA

Corinna's a sinner, all right. "I'm sure I'm going to go to hell for all the naughty things I've done," the 21-year-old from York proclaims to the Escort team, who've heard more confessions than the Pope. "Sleeping with other girl's boyfriends, with girls and with lots of men at once. If I have to go to the other place, I'm going to have something sexy to think about while I'm getting pitchforks stuck in my bottom!" And what a delightfully pitchforkable bottom it is.

He blasted both balls up my pussy

As I started playing with him, he did the same to me, and so I went down on him, seeing if he'd suck me too. He did, as I gave his cock and balls a bit of treatment, but then he put his hands on my arse, hinting that I should slide down his body. And that's just what I did, straddling his prick on the way down.

He started playing with my arse, spitting on two fingers and poking them inside me. I couldn't help giggling – just the thought of us being walked in on while we fucked was bad enough.

But doing it like this was something else. The bed was a bit squeaky, so we had to take it slow and easy, but the longer he strung it out the more I came, and I leaned right back against him so he could fondle my tits as he finally blasted both balls full of spunk up my pussy.

He had this really wholesome look about him – he totally charmed my mother. Which was a cover-up for what a dirty sod he really was.

Parent hood

Still living with my parents can make sex with boys awkward. I pulled a lad called Martin last week.

Too bad my folks were up – we went in, acted polite, and went to our separate rooms.

I did what I could with my fingers, but about an hour after Mum and Dad went to bed, I snuck out of my room. If they heard anything at all they'd just think I was off to the loo, but I went into Martin's room and let my robe drop off me.

I got into bed, putting my hand over his mouth to shush him, as he woke up. Then my hand went straight for his cock, and he was already hard for me.

Swap till you drop

We were recently contacted by two old friends of ours, Jack and Brenda, who were visiting our region.

My husband Dave decided to surprise them by booking a room in their Travelodge.

We met up in July for a meal. It was great to see them. Brenda looked as trim as ever, with her neat little figure, dark hair and dark eyes.

Looking at her reminded me of the last sexy lesbian session we'd put on for the boys. I guessed Dave was hoping for a repeat session. But I had other ideas.

We had a few drinks and got turned-on discussing our previous photo shoots.

We had all been flirting and when Dave made his surprise announcement that he'd booked a room, everyone's face lit up and Brenda gave Dave a big hug.

I then said that I had a great idea. We had partner-

I revealed my crotchless knickers and stockings

swapped together before but why not take each other's partners to each other's room? Dave was taken aback, but Brenda was very turned-on by the idea and trundled Dave upstairs before Jack and I had finished our drinks.

Jack and I followed them shortly. We had hardly got inside the room than he was snogging me passionately, mumbling, "I've waited ages for this," as he fumbled with my blouse.

My nipples were already hard by the time Jack fastened his lips round them through my peephole bra.

I stepped out of my skirt to reveal my crotchless knickers and stockings.

Jack powered me roughly up against the wall and his cock popped out of his trousers like a rampant ram.

I guided it between my legs and slid it up my eager, hot pussy.

Still in my high heels and undies, Jack grunted as he banged me up against the wall so hard I thought I might go through.

His shirt was soaked with sweat as he mercilessly pumped my shaft. He lifted my legs round his waist while he shot his hot semen deep into my hole.

We were still only in the doorway! I led Jack to the bed and tongued his sticky shaft till he was as hard as ever.

Jack's face was a picture as I licked him from just under his balls, tickling his anus with my tongue, to the tip of his shiny purple glans, now leaking pre-cum again.

I put my legs either side of his hips and once again fed his throbbing shaft into my soaking love tunnel.

Jack could hardly look at me as I ground my pubes relentlessly on to his crotch.

I was now really rampant myself. Jack reached up and squeezed my engorged tits until I reached my climax.

I flooded his cock with my juices and he shot his load up my pussy again.

I collapsed on top of him and our hot wet bodies slowly recovered.

We were only awoken by Dave and Brenda in the morning. It seemed they had had an equally horny night!

Jacqui, West Yorks.

I Made CONTACT

These are just the latest randy readers to meet and make it big through the pages of Escort Contact.

SASCHA, CHESTER.
38 years old. Show Us Yours, p. 49. "I want to perform a dirty lesbo show for my hubby – horny ladies get in touch now!"

Sascha's strip in Escort vol 32 no 10 led to a dirty weekend of double dicking with readers

Dear Escort,

After reading through all my fan mail, my partner and I decided to meet up with a horny couple from Preston.

We all met up in a pub. I instantly recognised Sarah from her photos. Her husband Dave and my other half Keith hit it off straight away and after a few drinks Dave suggested that we should all go back to theirs.

When Sarah stood up to leave, I caught a glimpse of her tiny white thong through her tights which instantly made my pussy get wet – it was all I could think of on the way back to theirs.

She must have read my mind because as soon as were back at theirs she ran her hand between my legs, making me push my soaking mound onto her hand.

During dinner, Dave couldn't keep his eyes off my legs and I could tell he was trying to work out if I was wearing stockings. Sarah soon found out the answer! We left Keith and Dave drinking downstairs while we went upstairs to take a look at some of the dirty photos she had been taking.

When we got up to their room, Sarah suggested I made myself a little more comfortable. I took off my jumper, knowing that my erect nipples would be visible through my sheer blouse. She obviously liked what she saw as she instantly leaned over to kiss me.

She slid her hand between my legs and remarked on how wet I was already so I stood up and took off my knickers to give her a better look. I then took off my blouse so I was left in just my

AWESOME FOURSOME!

stockings and boots.

She got on her knees between my legs and started to tongue my pussy. I could see Sarah rubbing her own pussy through her tights. I decided to get onto my knees too so I could get a feel of her. She was very damp and when I started to stroke her my three fingers quickly slipped inside her with ease. She started to buck on my fingers and came nearly straight away.

We called our men up who were shocked by our state of undress. They soon had massive hard-ons bulging through their jeans though.

Dave came straight over and went straight down on my pussy while Sarah got his cock out and started sucking him off. Keith then knelt by my head and offered me his cock to suck on but, to my surprise, Sarah quickly crawled up the bed, sat on my face and began to suck Keith's cock.

By now, Dave had shoved a couple of fingers up me and I was on the verge of cumming. I started to buck on his face when all of a sudden he rammed his entire cock up my eager pussy causing me to explode immediately. It wasn't long before Sarah was cumming too, gushing her sticky juices all over my face as I greedily tried to lick them all up.

Sarah and I decided it was the boys' turn for some

fun so we started to suck them off together. We started on Dave first and it wasn't long before he was shooting his hot spunk all over Sarah's huge tits which I licked clean, making sure it was all gone before we got started on Keith.

We laid him down on the bed, held him down and set to work. We took it in turns sucking on his throbbing cock as he felt for our still sticky pussies, somehow managing to finger us both while getting his dick sucked.

As Sarah continued to suck his shaft, I held his balls in my hands and then sucked on them. I could feel how tight they were, and felt them tighten even more as Sarah sucked away. Soon his sticky load was shooting on to the pair of us. This time it was Sarah's turn to lick me clean.

After a short rest we were soon at it again. What was mean to be one night of fun turned into a whole horny weekend!

KEIRA

"I recently took on a lodger to help pay the bills, but it's my lodger's todger that's come in more handy," confesses Keira. "One day he walked into my room when he thought I was out and caught me, legs akimbo, with a dildo sliding in and out of my pussy. He got really flustered and left, but I couldn't stop thinking about how horny it was to be busted wanking! I turned up in his bed naked the same day and made him fuck me!"

Diff'rent strokes

As a beautician and masseuse at a small beauty spa, I get to test out treatments on family and friends.

The other week I had to test a new range of aromatherapy oils, and my mate Rhiannon was the obvious choice. I had a few blends, stuff like stress-busters and energy boosters, but she asked could we give the aphrodisiac one a go – she had a hot date with her bloke later on, so we could really give it a test run.

To be honest, we weren't hoping for much – like, how horny can a perfume actually get you? But we were surprised – the oil had something about it. It wasn't so much what you smelled at first, more something underlying it that made you want more, like you couldn't get enough of smelling it. As well as using it in the massage oil, I put some in the oil burner too, so the scent filled the room.

I'm not saying that one sniff had us going like the clappers – it was slower and more subtle. I'm a bloody good masseuse – my fingers stroked all the knots out of Rhiannon's muscles. Then I told her to turn over.

I should also tell you that, once before, we'd ended up in bed together. It hadn't been that serious, just a drunken fumble, but I think it sparked something. Next thing, I saw a look that said she was thinking about that night too.

Hot juices flowed into each other's oiled-up snatches

I bent over her and we kissed as my fingers carried on stroking. As her tongue explored my mouth again, she got up off the massage couch, letting the towels that covered her naked body fall to the floor.

Then she asked did I have any more of the oil. I handed her the bottle as I got out of my clothes, watching as she massaged a handful over the front of her body. Then she dripped more of it on my bare boobs and used her hands to spread it over them. As we kissed again, we rubbed our breasts together, hard nipples catching against each other.

Now we laid down on the towels on the floor, using more oil so our bodies slipped and slithered against each other. Just the scent, the feel of Rhiannon's warm body was sexy enough, then she slipped a leg in between mine, sawing it against my pussy.

Soon, when I was halfway to cumming I shifted around, grabbing one of Rhiannon's legs, locking my arms around it then sliding my body so our cunts were pressed together. Then all we had to do was rub up together, sliding our fingers down between us until we were cumming, juices flowing into each other's oiled-up snatches.

I think she was first to cum, but it wasn't a competition! We just kept going until we were both satisfied, skin soft from the oil and our pussies

tender and flooded.

We decided to shower together in the private cubicle in the treatment room, and Rhiannon felt and smelled so gorgeous as we towelled off, that I ended up sitting her on the massage table and going down on her again.

She wondered would her boyfriend be able to tell that her cunt had already had a seeing-to – not that she wouldn't enjoy his stiff prick ploughing in and out of it. I also gave her a little bottle of the oil to lube her palms and tits, so she could give him the wank of his life!

Angela, Cardiff.

BROOK

"I don't know what it is but I'm really into older men," admits cock-hungry 21-year-old Brook. "Young guys are all well and good if you like a fast and furious ride ending with oodles of spunk dripping out of your pussy." What girl doesn't? "I appreciate a slow and steady shag. I need at least half an hour to orgasm like crazy and what 19-year-old can give me that? I get so wet grinding down on an older man's cock. It's like the best dildo in the world. And it buys you dinner as well!"

You just can't get the staff these days. All you want is your skirting boards dusted and the rug beaten but the silly girl insists on hitching up her skirts, pulling her knickers to one side and furiously flicking her bean on the carpet. We're going to have serious words with the agency. "I'll do anything you desire," whispers our mucky maid for the day Raphaella (23, from Derbyshire), "however deviant, however depraved. "Photoshoots outside are so horny – there's always a chance you might get caught!"

Escort stalwart Jacqui (vol 32 no 10)has a weekend to remember with a stranger's stiffie...

Dear Escort,

Thank you for printing my story and pictures in *Escort* vol 32 no 10 and of course for all my letters! I am sure there will be some more of my 'adventures' to send you shortly!

One, particular letter was from Tom and Nicole who I mentioned in my 'car' letter. We thought we had lost touch; so it was particularly nice to get a letter from them. They now live abroad and we hope to meet up shortly.

I am enclosing twenty pictures, taken at the Docklands Raddisson Hotel after we recently went down to see *Jesus Christ Superstar* (sacrilegious!).

That evening after a bottle of wine, we went back to the bar to enjoy a few pints of larger when 'obliging Dave', my partner felt it only fair to let older guy John who had shared our table come back to our room to watch Dave

take these photos.

John was a lovely guy and when I really got going with my glass dildos, it proved too much for him. Egged on by Dave, who was already naked and really horny, John couldn't bear it and asked if I would mind if he wanked whilst he watched.

After withdrawing my anal dildo to lick, he held the longer one in my pussy. John apologised as he shot his load all over my tits and belly: he was so, so grateful!

We're professionals here but also wanted to please Fawna, so we arranged a little post-shoot drink at the local rugby club so everyone was happy.

EGGS APPEAL!

Instead of gorging on Easter eggs, 21-year-old Frankie from Southend will be filling her face with another sort of chocolate button. "I haven't really got a sweet tooth – I prefer something salty if you know what I mean. Over my 'bonk holiday' weekend I'll be licking and sucking my boyfriend's crack, sack and prick!" Don't you get sick of all that overindulgence, Frankie? "No way, I'd do it to all his mates as well if he'd let me!"

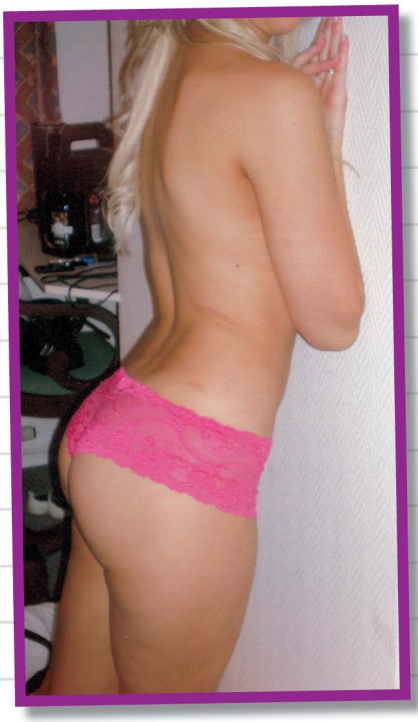
Campus carry-on



Helping to show would-be students around the campus in my second year meant I got a few good shags out of it – mostly with lads of course.

But then Fiona turned up. Punky and a bit scary was my first impression, but she had a wicked sense of humour and looked dirty.

As her coach home wasn't till the following day, I said she could crash in my room.

Relaxed by a few pints, we flopped onto my bed, snogging as soon as we hit the mattress – we'd both known there was something more than instant friendship happening.

And she seemed impressed when I took the lead, bringing her off with two fingers up her twat and my hand rocking and pressing on her clit.

Fiona said she'd been "shopping" before arriving at the campus, and showed me what she'd bought, including a strap-on.

I laughed at the idea of her being interviewed with a backpack full of sex toys, then helped her try it on. It freaked me out a bit – eating pussy was about as kinky as I'd got up till now. Then Fi said, matter-of-factly, "It's just like cock."

No arguing with that – she had me on all fours a few seconds later.

I ate her cream-coated strap-on

I reached between my legs and grabbed the helmet, then guided it inside my aching hole.

It felt real – perhaps a bit stiffer and colder than the genuine article, but I could

Vodka chaser

Nev and I met when he gatecrashed a party. He was in his thirties, so hardly a dirty old man, but he stuck out like a sore thumb.

I think the litre-bottle of premium vodka he turned up with helped him get in through the door, though!

I grabbed a glass then strutted up to him. He poured about a teaspoon in there then said if I wanted more, I'd have to do something for him.

Most blokes couldn't pull off a line like this, but I snogged him.

"That just earned you another finger," he grinned and he didn't just mean vodka.

He half-filled my glass and I knocked back a mouthful, sucking on an ice-cube too. Then I gave him a cold, boozy kiss and dragged him into the utility room.

We snogged again and then I worked my way down with an ice-cube in my mouth, tracing a wet line down his

body. I pushed it in his belly button as I undid his jeans and got them and his boxers down, then I sucked what was left of it till it melted, and took his cock in my mouth. Normally that kind of cold would be dick-shrivelling. But the suction of my warming mouth won through.

When he was ready to cum, I wanked him into my drink! I raised it like I was toasting him, then used a finger to stir it until the strings of cum dissolved into the vodka. Then I downed it in one.

Nev looked gobsmacked, and I couldn't believe what I'd just done either. He laid me back and took a melting ice-cube out of my drink and

hear my breathing speed up as she started pummelling into me. I fingered my clit, almost wrenching myself off her as a jolt of pleasure hit me, so she grabbed my arse firmly and rode me even harder and deeper.

I came twice and let her fuck my tender pussy a bit longer but, obviously, she wasn't going to finish like a bloke would.

She pulled out and I flopped down on my front, feeling a bit spent, only for her to come around the front and shove the cream-coated dildo in my face.

Dazed though I was, I gobbled it, sucking and licking it clean of my own wetness. Too bad she couldn't spunk in my mouth, but I'd already eaten plenty of my own cum.

Fiona ended up at another uni, but we've stayed in touch and had more fun!

Serena, Newcastle.

started to play it along my slit. Then he pushed it up my pussy, reaming in and out with his hot tongue, melting it out of me.

He ate me, while wanking furiously to get himself hard again. I was halfway to orgasm, so I decided to just stay where I was. I like vanilla vodka and there's nothing wrong with vanilla sex either, as long as it's with some dirty bastard who's mauling your tits and pounding your twat hard.

He had practically pinned my arse to the floor by the time he shot his second load, his big hand rubbing my clit so I came round his pulsing shaft.

I played it cool, helping myself to more vodka then going off to join the party, saying I'd see him around. Not that night I didn't, though. Did he just go home or to find more pussy? I don't know. But I'm hoping he'll gatecrash again!

Briony, Halifax.

Watch me go

Watching porn is my thing, and I got a major thrill from a live sex show on a stag night, so the idea of seeing my missus take cock off someone else started to appeal.

Part of the deal was I got to watch, so I sat on the bed, cock in hand, as my new mate Kev stripped Lucy off, snogging her and sucking on her tits.

She obviously fancied the arse off him – as he started fingering her snatch she looked lost in enjoying it, then she'd look at me. Understandably, she seemed nervy at first, then when she saw how hard it was getting me, a little smile crossed her face, maybe even a smirk!

Kev was obviously a porno freak too, going by the positions he got her into – anything that would spread her wide and give me the best view of his prick pounding in and out of her.

One time he was spooning her, with one of her legs stretched right up and back. She liked it when he got a bit rough with her nipples, pinching and tugging on them. And when she squealed, he wet a couple of fingers in the juices and had her sucking on them, muffling her moans to whimpers.

Then he said maybe she should be sucking on something else – my cue to feed her my own rigid shaft. He was fucking her and making her cum with his fingers, but she didn't miss a beat as she blew me.

She smirked as she saw how hard I was

Kev was first to lose his mess, and he asked if he could spunk inside her. "Mmm…" she moaned, and he squeezed her tits as he shot so she sucked even harder on me.

He stayed inside her while he was still hard, then pulled out and she immediately caught the spunk and cunt cream, and started to slather it over herself. The sight of that sparked me off, and I blew my own into her mouth, only for her to let it dribble out to smear on her tits.

Richard, Cornwall.
